Applicant's Representations

1. The Trust, a Massachusetts business trust, is registered under the Act as an open-end management investment company. Dreyfus Premier Limited Term Municipal Fund ("Acquiring Fund") is one of seven series of the Trust. Dreyfus Premier Limited Term California Municipal Fund ("California Fund") and the Dreyfus Premier Limited Term New York Municipal Fund ("New York Fund") are also series of the Trust. California Fund and New York Fund are collectively referred to as the "Acquired Funds." The Acquiring Fund and the Acquired Funds collectively are referred to as the "Funds."

2. The Dreyfus Corporation ("Adviser"), an investment adviser registered under the Investment Advisers Act of 1940, serves as investment adviser for the Acquiring Fund and the Acquired Funds. The Adviser is a wholly-owned subsidiary of Mellon bank, N.A., which is a wholly-owned subsidiary of Mellon Bank Corporation ("Mellon"). Mellon owns, with power to vote in the aggregate, approximately 58% of the outstanding voting securities of the California Fund, approximately 57% of the outstanding voting securities of the New York Fund, and approximately 53% of the

outstanding voting securities of the Acquiring Fund.

3. On April 23, 1998, the Trust's board of trustees ("Board"), including the non-interested trustees, unanimously approved an Agreement and Plan of Reorganization ("Plan of Reorganization") for each Acquired Fund pursuant to which the Acquiring Fund will acquire all of the assets and liabilities of each Acquired Fund in exchange for shares of the corresponding classes of the Acquiring Fund having an aggregate net asset value equal to the assets transferred minus the liabilities of the Acquired Fund ("Reorganization"). Each Acquired Fund will endeavor to discharge all of its known liabilities and obligations prior to closing of the Reorganization, presently expected to occur on or about November 13, 1998 ("Closing Date").

4. The Acquiring Fund and the Acquired Funds offer four share classes: Class A, Class B, Class C, and Class R. Each class of the Acquired Funds has identical rights and expense ratios as its corresponding share class of the Acquiring Fund. Class A shares are sold with a maximum sales charge of 3%, Class B shares are subject to a maximum 3% contingent deferred sales charge ("CDSC") if redeemed within five years of purchase, and convert to Class A shares in approximately six years after the date of purchase; Class C shares are subject to a 0.75% CDSC if redeemed within one year of purchase; and Class R shares pay no sales charges. Classes A, B, and C pay for distribution expenses at various rates through a rule 12b-1 plan.

5. As a result of the Reorganization, each Acquired Fund shareholder will receive Acquiring Fund shares having an aggregate net asset value equal to the aggregate net asset value of the corresponding Acquired Fund's shares held by that shareholder calculated as of the Closing Date. For purposes of calculating the CDSC on Classes B and C and the conversion rights of Class B shares, Class B and Class C shareholders of the Acquired Funds will be deemed to have held Class B and Class C shares of the Acquiring Fund since the date the shareholders initially purchased the shares of the Acquired Funds.

6. The investment objectives of the Acquiring Fund and each Acquired Fund are to maximize current income exempt from federal income tax. The California Fund has the additional objective of seeking income exempt from California's state income tax; the New York Fund has the additional objective of seeking income exempt from both the state of New York's
